

**PARENT EDUCATION REFERRAL LIST
FOR HIGH CONFLICT PARENTS
(August 2017)**

In an effort to assist litigants in locating mental health professionals who provide specialized parent education focused on reducing conflict for separated and divorced parents, the Los Angeles Superior Court has developed a list of professionals, agencies, or programs in both the private and public sector. This list is compiled as a courtesy for Family Law litigants and is not meant as an endorsement or recommendation of any individual or organization listed.

Disclaimer: The Los Angeles Superior Court does not endorse any person or agency on this list. The persons and agencies on the list are not employees or agencies of the Los Angeles Superior Court. Arrangements to engage the services of any person or agency on the list are independent contracts between those individuals and agencies and the persons engaging their services, to which the Los Angeles Superior Court is not a party. The Los Angeles Superior Court has the discretion to remove any individual from the list should information be brought to the Court's attention indicating that an individual or agency should be removed from the list.
