NEW CIVIL COURT REPORTER POLICY TO BE IN EFFECT ON JUNE 14, 2013

Effective June 14, 2013, the Los Angeles Superior Court will no longer provide court reporters for general jurisdiction civil matters, except in the writs departments – 82, 85 and 86 - located in the Stanley Mosk Courthouse. The writs departments will continue to use the established matrix for court reporter assignments.

For additional information regarding court reporter assignments in the writs departments, or, should a party wish to use its own reporter, information can be found on our website at www.lasuperiorcourt.org.
