No one except authorized court and court security personnel may engage in photographing, recording, or broadcasting, or activate any camera, microphone, recorder or broadcasting device in any courtroom or courthouse in the County where the court conducts business, including all entrances, exits, hallways, escalators, elevators, and adjacent or subterranean court parking areas except as permitted by Superior Court of Los Angeles County, Local Rules, rule 2.17 and California Rules of Court, rule 1.150, or as permitted by this order or other order of a judicial officer as set forth herein. This order shall not preclude any law enforcement officer from taking appropriate steps to ensure the orderly and peaceable conduct of court business at a courthouse, including the recording of criminal activity in progress. A law enforcement officer's use of a body camera for passive recording is allowed, provided the camera is set to automatically overwrite data within the timeframe prescribed by the officer's departmental standards.

For purposes of this rule, the following definitions apply: **Camera** – Any device that has a primary function of recording images and is not part of a multifunction device such as a “smartphone.” **Wearable Electronic Device and Wearable Camera** – Any miniature electronic device that is worn under, with, or on top of clothing and having a primary purpose of image capture or recording (such as Google Glass, Go Pro Cameras, Lapel Pin cameras). **Personal Electronic Device** – Any device capable of communicating, transmitting, receiving, or recording messages, images, sounds, data, or other

1 information by any means including but not limited to a computer, tablet, cell phone, or blue-tooth
2 device. This order applies to the use of any and all Cameras, Wearable Electronic Devices and Wearable
3 Cameras and Personal Electronic Devices as defined above.

4 Except for representatives of media or media agencies as defined in California Rules of Court,
5 rule 1.150(b)(2), no person shall bring into any courthouse a Camera, Wearable Electronic Device, or
6 Wearable Camera as defined above, nor may any person operate a Camera or Personal Electronic Device
7 in violation of Superior Court of Los Angeles County Local Rule 2.17. To establish whether a person
8 is bringing a camera into the courthouse for the purpose of media coverage security personnel may
9 require that person to either provide a press pass issued by a local law enforcement agency, other
10 verifiable press credentials, or a copy of a current filed petition seeking a court order pursuant to Local
11 Rule 2.17.

12 Personal Electronic Devices may be brought into a court facility but may be used only in
13 accordance with Local Rule 2.17. All electronic devices may be inspected by court security personnel.

14 All persons entering any courthouse shall comply with Los Angeles County Superior Court,
15 Local Rules, rule 2.17(b), which provides:

16 “While in court, no one may engage in photographing, recording,
17 or broadcasting, or activate any camera, microphone, recorder or
18 broadcasting device, except: 1) in a courtroom where the judge has issued
19 an order allowing media coverage under California Rules of Court, rule
20 1.150 and Local Rule 2.17(d), or expressly granted permission, under
21 California Rules of Court, rule 1.150(d) or otherwise, to photograph,
22 record, and/or broadcast; or 2) outside the courtroom, if it is: i) in a
23 designated media area, or ii) with prior written permission from the
24 Presiding Judge, supervising judge, or site judge. No one may carry any
25 camera, microphone, or recording equipment, or activate the image or
26 sound capturing feature of any computer, mobile telephone, watch or
27 other similar equipment in a courtroom without express written
28 permission from the appropriate judicial officer.”

1 This order does not prohibit the use of portable scanners, cameras, or copiers, provided such
2 devices are used solely for the permissive purpose of imaging documents.

3 Prior to entering a courtroom, cellular phones, pagers, and all other electronic communication or
4 recording devices must be silenced or, in the discretion of the judicial officer, turned off. No such device
5 shall be handled in any way as to indicate that a picture, audio or video recording is being taken except
6 in compliance with Local Rule 2.17. Any such device which disrupts the proceedings shall be subject
7 to confiscation and search. Nothing in this order shall restrict a judicial officer's discretion to regulate
8 the use of such devices in his or her courtroom.

9 This order is for the protection of the public, all parties, and court personnel, and to facilitate the
10 fair and orderly resolution of cases. This order is subject to modification based upon specific
11 circumstances and the discretion of an individual judicial officer in that judicial officer's courtroom, the
12 courthouse site judge, the supervising judge of a district, or the Assistant Presiding Judge in the event
13 of the unavailability of the Presiding Judge.

14 A copy of this order shall be posted on the Court's Web site and shall be made reasonably
15 available or posted near every security entry point into each court building, and at such other locations
16 as the court's Director of Security directs. Violation of this order may result in seizure of the device,
17 monetary sanctions pursuant to section 177.5 of the Code of Civil Procedure, and/or a finding of
18 contempt pursuant to sections 128 and 1209 of the Code of Civil Procedure, and/or arrest pursuant to
19 Penal Code sections 166(a)(4), 166(a)(5), and 632.

20 Any court staff, security personnel or peace officer who becomes aware that a person is using a
21 device in violation of this order is directed to advise such individual orally of this order, and take steps
22 to provide the person with a written copy of this order as soon as practical. Security personnel or a
23 peace officer who has reasonable cause to believe a violation of this order has occurred are requested to
24 prepare an incident report, and if the circumstances warrant immediate corrective action because the
25 person persists in violating this order despite being informed of it or has violated the order in a way that
26 appears to have a significant adverse impact upon court security or the fair and orderly resolution of
27 cases, shall take possession of the device and bring the person without unnecessary delay to the
28 courtroom judicial officer, nearest available site judge, district supervising judge, Assistant Presiding

1 Judge or Presiding Judge, as may be appropriate, to determine if there is sufficient cause to believe there
2 has been a violation of this order without good cause or substantial justification. Such judicial officer
3 may take such action or issue such orders to show cause regarding imposition of sanctions or contempt
4 pursuant to Code of Civil Procedure sections 128, 177.5, and 1209, and concerning the device, as may
5 be appropriate.
