

Digital Evidence Presentation System (DEPS)

(for Attorneys)

Overview

The Los Angeles Superior Court has installed a DEPS in certain courtrooms throughout LA County for attorney use.

Overview

1. Turn on Equipment (Judicial Assistant or Attorney)

Courtroom Monitor

- Press **Power On** button on courtroom monitor remote.

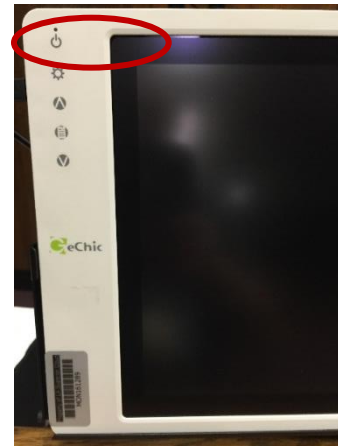

Document Camera

- Pull Document Camera arm ring gently upward.

Witness Monitor

- Press **Power** button on monitor.

2. Connect Devices to Attorney Table (Attorney)

- Non-Apple devices** (laptop, tablet, smart phone, and video player) can be connected using either:
 - HDMI cable; or
 - VGA cable with 3.5mm AUX audio cable.
- Apple devices (HDMI 2.0+)** (laptop, iPad, iPhone) can be connected using only:
 - VGA cable with 3.5mm AUX audio cable.

3. Use Document Camera (Attorney)

- Use Zoom wheel to zoom in (down) or out (up).
- Press **FREEZE** button to temporarily freeze camera; press **FREEZE** button again to unfreeze camera.

4. Switch between Input Devices (Attorney)

From Document Camera

- Press **EXTERN** button to switch between Document Camera, Attorney Table 1, and Attorney Table 2.

From Attorney Tables

- Press **INPUT SELECTION** to switch between devices connected at the attorney table.

5. Turn Off Equipment (Judicial Assistant or Attorney)

Courtroom Monitor

- Press **Power Off** button on courtroom monitor remote.

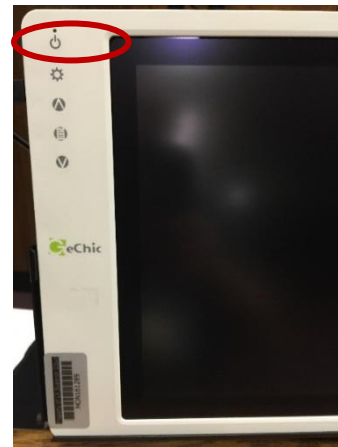

Document Camera

- Pull Document Camera arm ring gently downward.

Witness Monitor

- Press **Power** button on monitor.

Support

For **technical assistance**, please contact staff in the applicable courtroom.
