TRIAL PROCEDURES

JURY TRIALS:

Jury trials are set on Mondays at 9:30 a.m.

COURT TRIALS:

Court trials are set for Tuesdays at 9:30 a.m.

If the parties/counsel are pursuing a Court Trial, the Court will discuss the format and requirements of a Joint Proposed Special Verdict Form, samples of which will be provided to counsel at the FSC. Joint Proposed Special Verdict Form to be prepared by counsel and lodged directly in Department 38 (no e-filing) before the matter will be taken under submission.

TRIAL CONTINUANCES:

May only be addressed via ex parte.

JURY SELECTION:

Department 38 utilizes the "six-pack" method.

JURY FEES:

Fees must be paid on a daily basis. The judicial assistant will advise you how much is owed each day. Initial jury fee deposit should be made prior to the case management conference.

FINAL STATUS CONFERENCE:

Final Status Conferences (FSC's) are generally heard on Fridays, 10 days before the trial date at 9:30 am. All lead trial counsel to be present **in-person** at the FSC. The purpose of the FSC is to verify that the parties are completely prepared and ready to proceed to trial continuously and efficiently from day-to-day until verdict.

At least five (5) court days prior to FSC, the parties should meet & confer in person to exchange discuss and prepare a Joint Trial Notebook and Joint Exhibit Notebook. The parties must serve, sign and file all joint documents.

Two sets of completed Joint Trial Notebook(s) and Joint Exhibit Notebook(s) should be brought to the FSC with Joint Trial Notebook(s) tabbed A-K as follows:

TAB "A": Trial Briefs

Each party/counsel shall file a trial brief succinctly identifying:

1. The claims and defenses subject to litigation
2. The major legal issues (with supporting points & authorities)
3. The relief claimed and calculation of damages sought
4. Any other information that may assist the Court at Trial.

TAB "B": Motions-In-Limine

Before filing motions-in-limine, the parties/counsel shall comply with the statutory notice provisions of CCP Section 1005 and the motions-in-limine requirements of L.A. County Court Rule 3.57(a). The caption of each motion-in-limine shall concisely identify the evidence that the moving party seeks to preclude. Multiple motions-in-limine should be numbered consecutively. Multiple motions-in-limine should be tabbed and indexed and submitted in a 3-ring binder containing copies of those motions e-filed by each party in numerical order and grouped with corresponding opposition and reply. Three-ring binders to be lodged directly in Department 38 at the FSC.

Motions-in-limine will be heard on the first day of trial (or soon thereafter at the discretion of the Court).

TAB "C" – Joint Statement to be Read to the Jury

For jury trials, the parties/counsel shall work together to prepare and file a joint written statement of the case for the Court to read to jury (L.A. County Court Rule 3.25(g)(4)). The parties/counsel shall sign the joint statement, and all other joint documents.

TAB “D” – Joint Witness List

The parties/counsel shall work together to prepare and file a joint list of all witnesses arranged alphabetically by last name. The joint witness list shall identify each witness by full name, specify which witnesses are experts, estimate the length of the direct, cross examination and re-direct examination of each, and include a total of the number of hours for all witness testimony. Any party/counsel who seeks to elicit testimony from a witness not identified on the witness list may have that witness excluded absent a showing of good cause.

TAB “E” – List of Proposed Jury Instructions (Joint and Contested)

The parties/counsel shall jointly prepare and file a list of proposed jury instructions, organized in numerical order, specifying the instructions upon which all sides agree and the contested instructions, if any. Settling of jury instructions will occur after the close of evidence but before closing arguments.

TAB “F” – Full Text Jury Instructions (Joint and Contested) Prepared and Submitted to the Court Before Closing Argument

After the case-in-chief, counsel to prepare a complete set of full-text proposed jury instructions without edits.

At closing, counsel shall then have prepared a complete set of full-text proposed jury instructions, editing all proposed California Civil Jury Instructions and inserting party name(s) and eliminating blanks, brackets and irrelevant material. The parties/counsel shall prepare any special instructions in a format ready for submission to the jury with the instruction number, title, and text only (i.e. there should be no boxes or other indication on the printed instruction itself as to the requesting party).

TAB “G” – Joint Verdict Form(s)

The parties/counsel shall prepare and jointly file a proposed general verdict form or special verdict form (with interrogatories) acceptable to all sides (L.A. County Rule 3.25(g)(8)). If the parties/counsel cannot agree on a joint verdict form, each party must separately file a proposed verdict form.

TAB “H” – Joint Exhibit List

The parties/counsel shall prepare and file a joint exhibit list organized with columns identifying: (1) the exhibit, (2) the party offering the exhibit, (3) whether there is a stipulation to authenticity and/or admissibility of the exhibit, (4) the date on which the exhibit was identified in court and (5) the date on which the exhibit was admitted.

Prior to filing the joint exhibit list, the parties shall meet & confer to determine whether they will stipulate to the authenticity and/or admissibility of each exhibit or whether there are objections to

any exhibit. If there are stipulations, the parties shall note that in the respective column. If not, the objecting party shall specify all objections in the respective column. The parties/counsel shall sign the joint exhibit list.

Pursuant to L.A. County Court Rules 3.52 and 3.53, the exhibits must be pre-marked using numbers. It is not uncommon for plaintiff's exhibits to start at 001 and defendant's to start at 101. In stances where an exhibit consists of multiple pages, each page must be "Bates" numbered sequentially. For example, if Exhibit 1 has 5 pages, "Ex 1-05" would be the fifth page of Exhibit 1.

The exhibits must be exchanged at least five (5) calendar days before the FSC. At least three sets of exhibit binders – tabbed, marked and paginated – are required on the first day of Trial: a set for the Court, the Judicial Assistant and for the Witness. Counsel must also supply an exhibit binder(s) to each opposing party if not exchanged electronically.

TAB "T" – Page and Line Designation for Deposition and Former Testimony

If the parties/counsel intend to use deposition testimony or former trial testimony in lieu of any witnesses' live testimony, the parties/counsel shall meet & confer and jointly prepare and file a chart for each of the following: (1) the page and line designations of the deposition or former testimony requested for use (2) objections (3) counter-designations (4) and responses thereto and (5) the Court's ruling.

TAB "J" – Copies of the Current Operative Pleadings

The operative complaint, answer, cross-complaint and answer to any cross-complaint.

TAB "K" - Stipulations

VOIR DIRE:

The Court will begin the jury selection process by questioning the entire panel (or as many as logistically possible). The Court will inquire using the "Questions on the Board" method (name, area of residence, marital status, children, occupation and any previous jury experience). The Court, if requested, will also voir dire on any "sensitive areas."

Each party is entitled to six (6) peremptory challenges. If there are multiple parties to each side, each side shares eight (8) peremptories so long as each side receives an equal number (See CCP 231(c)).

OPENING STATEMENTS:

Neither party is required to give an opening statement and a defendant may reserve it until after the presentation of the opposing party's case-in-chief. Opening statements should not be used to argue your case, pre-instruct or pre-condition the jury. Present the jury with a roadmap as to what you believe the evidence will show. Use of visual aids in opening statements is generally

not allowed unless previewed and agreed upon by all parties/counsel (See, L.A. Superior Court Rule 3.97).

DISPLAY OF DEMONSTRATIVE EVIDENCE:

Department 38 is equipped with a large screen monitor visible to the jury with an ELMO overhead projector and computer connections (HDMI and VGA) at counsel table. There is also a monitor on the witness stand. The parties must provide their own cables and computer, and a pre-trial test run is encouraged as the Court is not able to provide technical support. If a PowerPoint is to be used, a copy of the slides must be shared with opposing counsel prior to the presentation leaving sufficient time to object.

WITNESS AVAILABILITY:

Out of respect for all the parties and jurors involved, please plan accordingly and have witnesses present and ready to testify. It is assumed all witnesses and/or litigants will appear in-person to provide testimony. The Court will not inconvenience the jury just because a witness cannot appear. In such a situation, the party may be forced to rest. Any proposed remote appearances must be pre-approved by the Court prior to Trial. If approved, remote appearance to be arranged by counsel via ZOOM with any necessary link provided to the Court via email.

USE OF DEPOSITION TRANSCRIPTS AND DISCOVERY RESPONSES:

Deposition transcripts and discovery responses shall be lodged with the Court the evening prior to scheduled testimony of any particular witness the following day. Before the reading into evidence of any portion of a deposition, interrogatory or request for admission, the party shall advise the Court and opposing party/counsel of the page and line number of the deposition, or the numbers of the interrogatories or requests for admission to be read or shown to the witness (L.A. County Court Rule 3.158).

USE OF PODIUM AND APPROACHING WITNESSES:

The courtroom has a podium which the Court prefers the parties use. Under certain circumstances, parties may question from counsel table. The parties are asked to stand when addressing the Court for any extended period of time. Counsel may approach the witness after first requesting permission to do so, and then only to assist the witness with or show the witness an exhibit. Questioning is to resume at the podium or from counsel table.

OBJECTIONS:

The parties are to refrain from speaking objections. The Court will always allow argument on the points of law or evidentiary matters outside the presence of the jury. However, it may not be contemporaneous with the objection depending on the situation. Also, counsel ordinarily should not interrupt an incomplete question to object unless the question is both patently objectionable and at least arguably prejudicial (L.A. Superior Court Rule 3.111).

USE OF EXHIBITS:

Counsel may publish exhibits to the jury only after they have been admitted in evidence. If counsel agree that an exhibit or exhibits will be admitted without objection, counsel may publish the agreed-upon exhibit(s) to the jury during opening statement.

INTERPRETERS:

Court-provide interpreters are not guaranteed to be available in civil trials and are prioritized pursuant to Evidence Code 756(b). If necessary, please retain your own interpreter, calculate the additional time needed for examination and cross-examination on the witness list and let court staff know prior to calling the witness.

MUTIPLE COUNSEL FOR A PARTY:

If a party has more than one lawyer, only one may conduct the direct, cross-examination or make objections to that witness.

CLOSING ARGUMENTS AND JURY INSTRUCTION:

Parties/counsel should be prepared to present closing arguments upon completion of evidence. Parties/counsel may ask the Court to pre-instruct the jury with the goal of keeping all closing arguments together. However, this is not always logistically possible.
