Your Fee For This Interview:

\$ _____

Date: _____

A Child Interview is ordered when the Court has concerns related to, or would like information from, the minor child(ren).

The Court will order a Family Court Services (FCS) Specialist to interview the minor child(ren) about topics outlined by the Court and summarize for the Court via oral testimony the child(ren)'s statements for the Court.

The FCS Specialist will provide information about the child(ren) but will not provide any recommendations. The FCS Specialist will not interview parents or anyone else as part of this process.

The FCS Specialist will interview children aged 8 or older via videoconference using WebEx. If video-conferencing is not available, interviews will be held telephonically.

Please download the WebEx app to your electronic device (computer, phone or tablet) in preparation for the video conference.

Please ensure the child(ren)'s privacy during the interview.

The hearing will be scheduled at 11 am. The FCS Specialist will testify, presenting a summary of the minor's statements and is subject to cross-examination.

What Should You Tell The Minor(s) About The Interview?

Remind your child(ren) to be honest during their interview. Inform your child(ren) that they will likely be asked many questions about their daily activities but will not be asked to choose between their parents.

The FCS Specialist will provide an age-appropriate description of the process to the child(ren) and explain the limits of confidentiality.

If the FCS Specialist learns of a reasonable suspicion of child abuse or learns that an individual may harm themselves or others they have a legal and ethical duty to report this information.

What You Can Expect:

Fees

Unless specifically waived by the Court, the fee for this service must be paid to the Family Law Clerk's office of any courthouse where there is a Family Court Services Office.

Payment must be received no later than seven (7) calendar days from the date the order for the Child Interview is made or on the date of the Child Interview, whichever comes first. If the fee is not received by this date, the Child Interview will be canceled. If your case settles after payment is made, you must notify the FCS Office prior to the date of the interview to receive a full refund. Otherwise, a \$53 administrative fee will be assessed.

The appointment is only for the minor child(ren); parents will not be interviewed.
