## **ID THEFT VICTIM INFORMATION SHEET- PC§530.6**

The California Department of Justice - Attorney General's Office maintains an Identity Theft Registry to assist victims who are wrongfully identified as criminals . Through the ID Theft data base, law enforcement and anyone else designated by the victim to have access would be notified that the criminal history is not his or hers. To learn more, visit the ID Theft Registry web page at <https://oag.ca.gov/idtheft> or call toll-free: (888) 880-0240.

Once the registration process is completed, the information will be updated to the state Automated Criminal History System (ACHS) identifying you as a victim of identity theft and directing law enforcement and criminal justice agencies to contact the Department of Justice for further information concerning your registration to the Identity Theft Data Base.

**NOTE:** It is your responsibility to notify the Attorney General's Office and any necessary law enforcement agencies of this Court's order granting your petition for a finding of factual innocence pursuant to Penal Code §530.6.
