

CHANGES IN CRS

JUNE 2015 RELEASE – 1
External Document

INTRODUCTION

A new release of the online Court Reservation System (CRS) will be implemented on **June 8, 2015**. The main component of this new release is:

1. **EXTERNAL AVAILABILITY – MOTION TO COMPEL (NOT “FURTHER DISCOVERY”)** – The external user will be allowed to make reservations to schedule more than one Motion to Compel (not “Further Discovery”) for hearing in a single reservation (if made available by the assigned courtroom).

EXTERNAL AVAILABILITY - MOTION TO COMPEL FURTHER DISCOVERY RESPONSES

Prior to this revision, CRS did not allow an external user to make multiple Motion To Compel (not “Further Discovery”) reservations at one time. As a result, the party was required to find future dates with sufficient available reservations to accommodate the number of motions that were to be reserved.

In this new release, the external user can make a reservation for more than one Motion To Compel (not “Further Discovery”) (if made available by the assigned courtroom). Upon selecting this reservation type, CRS will display the following field only when the specified courtroom allows multiple motions to compel (not “Further Discovery”) to be reserved for hearing in a single reservation:

Reservation Type:

Number of Motions:

1
2
3
4
5
6
7
8
9
10

Fees are collected for each motion in the reservation in a single payment, however each motion is assigned a unique motion ID and receipt number to provide the ability to reschedule or cancel the motions individually. If motions are rescheduled, the motion ID number remains the same:

Description	Motion ID	Receipt	Fee
Motion to Compel Discovery (not "Further Discovery")	002633	1150227K9863-1	\$60.00
Motion to Compel Discovery (not "Further Discovery")	002634	1150227K9863-2	\$60.00
Motion to Compel Discovery (not "Further Discovery")	002635	1150227K9863-3	\$60.00
Total Fees:			\$180.00

To reschedule or cancel a multiple Motion to Compel Discovery Responses (not “Further Discovery”) reservation in whole or individually, place a check mark in the appropriate box(es) to the left of the Motion ID and click either the *Reschedule* or *Cancel Reservation* button.

Once a reservation for multiple motions to compel discovery (not "Further Discovery") has been severed to reschedule one or more motion(s) individually, it cannot be made whole again:
