NEW FAMILY LAW CALL CENTER TO ASSIST LITIGANTS WITH FAMILY LAW MATTERS IN LOS ANGELES COUNTY

**Family Law Litigants, Except Those with AB 1058 (Child Support) Matters, May Call
(213) 633-6363 for Information**

The Court is launching a dedicated, unified Family Law Call Center for litigants seeking information on their Family Law cases as part of its ongoing efforts to provide easier and more efficient ways to access to justice, Presiding Judge Eric C. Taylor announced today. The Family Law Call Center, which can be reached at (213) 633-6363, eliminates the need for Family Law litigants to call specific court locations to receive information on their case. The Call Center offers convenient alternatives to in-person Clerk's office service, eliminating the need for litigants to take time off work, find and pay for childcare, and cover transportation and parking costs. With one simple phone call, litigants will receive their case information.

"After the successful launch of our unified Traffic Call Center, the Court is continuing to expand our convenient remote assistance options by offering the new Family Law Call Center as an expedient and safe way for Family Law litigants to get access to justice," Presiding Judge Taylor said. "Through providing one centralized Family Law Call Center, Family Law litigants will save time by no longer having to locate phone numbers for Clerk's Office locations at individual courthouses. The Family Law Call Center is the most recent example of the Court's proactive

“I am so grateful to our court administration and staff for their tireless efforts,” Supervising Judge of Family Law Amy M. Pellman said. “Despite the challenges from the pandemic, our court administration has continuously found creative and innovative ways to serve our public. On behalf of the Family Law Division, we thank the court administration for their leadership and partnership in providing information and assistance for our community and we look forward to future innovations.”
